

## Hello EV owner/enthusiast,

## We'd like to welcome you to a new Facebook group: NW Wisconsin EV Club!

This Facebook group provides a forum for EV owners and enthusiasts in the NW Wisconsin area to connect, share experiences and events, ask questions and discuss all things EV-related, including residential and public charging.

Your participation and discussion are needed and appreciated!

## To Join

Please go to your Facebook page, search for "NW Wisconsin EV Club" and request to join. We'll watch for your request!

The page is moderated by Polk-Burnett Electric Cooperative.

It is a private group with permission to join required.

## **Group rules:**

- 1. Please join the conversation often!
- 2. Be respectful and helpful. Keep discussion related to EVs.
  - 3. No hate speech or bullying.

We have the right to remove posts and members from the group.

Thank you. We look forward to having you join the conversation!

Your source for reliable electricity and information.
